

Dear Authors,

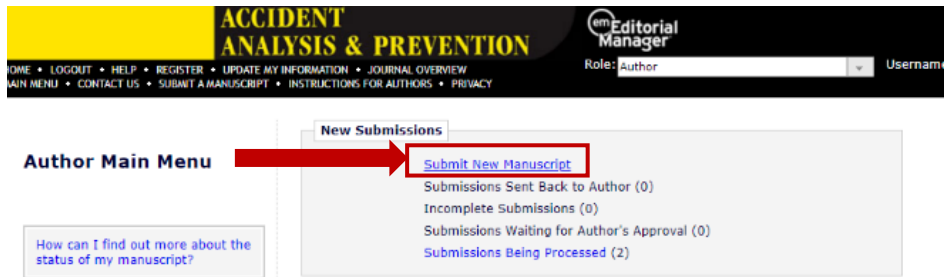

To ensure that all manuscripts are correctly identified for inclusion into the special issue, it is important that you select VSI: A - ICSC 2020 in LUND when they reach the “Article Type” step in the submission process.

Failure to do so will cause papers to go unrecognized as belonging to the ICSC 2020 special issue and it will be treated as a regular submission.

a) Step 1 login to the Editorial Manager using this link:

<https://www.editorialmanager.com/aaap/default.aspx>

b) Step 2 – Select “Submit new Manuscript

c) Step 3 Select in the “Article Type” menu the VSI ICSC 2020 in LUND. Proceed further as a regular submission
